FEAR NOT

In these times, there is plenty to be afraid of, if we only look around. It seems that every day the news media have yet more bad news to tell: wars, disease, terrorism, drought, social unrest, and more. Some people have stopped using clock radios to wake up in the morning, preferring a jarring buzzer to the even more jarring morning news. What more do we need before we realize that we are finite creatures, and while there is much we can do to make our world better, ultimately there is a lot that is simply not within our grasp? To this our loving God says, "Be strong, fear not!"

We must do what we can to make our world a better and safer place, but we must also realize our limits and that our ultimate safety is in the hands of God. We can be comforted by the realization that God loves us beyond measure, and will give us every help in our efforts to make our world a loving and safe place for everyone.
